TOGETHER WE'RE MAKING A DIFFERENCE

At UTI, we aspire to change the world by helping people achieve their dreams through education. And we're proud to say that our association with the ASCA is paramount in helping us continue to achieve these ideals.

We feel privileged to be associated with the members of ASCA. The guidance you provide students is often the first and most important step on the road to a great life and successful career.

We would like to thank you for your continued support of our organization and your unwavering dedication to the young men and women of our future. Together, we're continuing to make a difference, one life at a time.

FOR THE MEMBERS OF ASCA

MSC: 1400/1407

Our Education Follows Your Inspiration

In the past 25 years, more than 120,000 professional technicians have graduated from UTI. The success of our graduates has prompted strong relationships with leading manufacturers in the automotive, collision repair, motorcycle, diesel and marine industries. Companies like Ford, BMW, Toyota, Harley-Davidson, International, and Mercury know that our graduates have the skills and hands-on experience needed to succeed at dealerships and independent repair shops across the country.

Working with these manufacturers, we are able to develop Manufacturer Specific Advanced Training (MSAT) programs. These courses allow students to accelerate their careers by training at an advanced level. It takes technicians in the field two to eight years to obtain the level of training that students receive in two to six months in an MSAT program! And, most MSAT graduates have an entry-level technician position waiting for them when they graduate.*

But none of this can happen without our strong alliances with influential groups like ASCA. Your bond with students helps define their passion, their potential and their natural abilities on the way to charting their course to future success. And for our students, we do whatever we can to make sure that vision becomes a reality.

**Employment can not be guaranteed.*

Free Information Services for High Schools

At UTI, we realize that you may not always have all the information and resources you need to properly introduce your students to their best career options. That's why we provide a variety of complimentary tools to assist you in your efforts. These can include:

- Career Workshops at Your High School
- Student Field Trips to UTI Campuses
- Counselor and Teacher Luncheon Tours
- Professional Development Workshops for Counselors, Teachers and Administrators

UTI FAST FACTS:

On average, there are five job opportunities for each UTI graduate. And 91% of 2007 UTI Graduates were placed within their chosen field.*

** For fiscal 2007, UTI had 12,294 total graduates, of which 11,817 were available for employment. Of those graduates available for employment, 10,708 were employed at the time of reporting for a total of 91%.*

Hear What Our Graduates Have to Say About Their UTI Experience

"Everybody has their own way of learning, whatever way you do it best, whatever way works for you, they let you do that."

Amanda Hentz
MMI Graduate

"UTI has been a smart decision for me. I think it's going to launch my career quicker than any other place I would've gone to."

Eric Shultz
MMI Graduate

"The best guidance we can provide is to cultivate our students' natural abilities, help them discover their passion, and then support them along the way as they work to achieve their dream."

Steven Fitzgerald
UTI Educational Representative

"We have a responsibility as professional school counselors to educate ourselves about what is out there for our students, educate them along the way, and educate their parents."

Jan Tkaczyk
Former Executive Director, MASCA

"It's an investment that pays for itself. It's that simple."

Quintin Vahldick
Ford FACT Instructor
