UTI Foundation “Live Your Passion” Exton Campus Tuition Scholarship Program 2009
Program Information

Objective:
To provide tuition grants-in-aid to students who seek to enroll at Universal Technical Institute’s Exton, Pennsylvania campus for the start dates between January 1st and December 31st 2009, who show financial need and who reflect a true commitment to converting their passion for automobiles and trucks into a career as a professional technician (based on the criteria outlined below.) This program is funded entirely through the UTI Foundation, a separate charitable organization devoted to supporting qualifying UTI students with the financial assistance required to complete technical training.

Criteria for awarding the scholarship:
Enrolled students who meet all other admissions requirements for Universal Technical Institute – Exton and ALL the criteria below, may apply for a $2500 grant-in-aid through the UTI Foundation Scholarship Fund (applied to the student’s account as a tuition grant, prorated over the entire term of the student’s program):

To determine your eligibility for this scholarship program, you must:
• have completed your FAFSA (Free Application for Federal Student Aid), (for questions on the completion or approval of your FAFSA, call the Financial Aid Department at 1-866-609-6930);
• be starting classes between January 1st and December 31st 2009;
• reflect financial need as assessed through the information provided in the FAFSA and other factors;
• have a letter of recommendation from an employer, guidance counselor or instructor;**
• clearly express a commitment to professional success through the application essay; and
• submit the application and letter of recommendation by the deadlines outlined below.

Process and Rules:
Information about this grant-in-aid will be published to all enrolled students for the affected start dates. Students who have not yet enrolled for these start dates will be notified after enrollment. This information will also be posted on the UTI Foundation website (www.utifoundation.net) and linked to the UTI Corporate website.

Any enrolled student meeting the criteria may apply. Funding and total awards available for this program are limited. Students will complete an application and submit it to the UTI Foundation. Students who apply and meet all requirements will be considered for this grant-in-aid. For all applicants, the deadline for RECEIPT of the application and all required attachments by the UTI Foundation is midnight Sunday, FIVE WEEKS prior to the student’s scheduled start date.

Of those applications received, each will be reviewed for completeness and accuracy of all information provided. Of those viable applications, the awards will be distributed to those students who present the greatest financial need combined with the best likelihood of success through the ideas expressed in the essay portion of the application and reference letter. All viable applications will be reviewed by the UTI Foundation Scholarship Committee.

This award is based on the enrolled student’s start date. If a student changes start dates, this grant-in-aid will be lost. It is not transferable to any other start date or person. The award is provided by the UTI Foundation and is applied directly to the student’s tuition. The award is spread out over the term of the program and any unused portion of the scholarship will be prorated and returned to the UTI Foundation.

Neither UTI nor the UTI Foundation discriminates against or tolerates the harassment of any potential applicant, applicant or student on the basis of race, color, national origin, sex, religion, disability, age, or any other legally protected status in the provision of its courses, programs, services or activities.
Admissions representatives may provide only general information regarding scholarship availability to prospective students and avoid using the potential availability of scholarships as a means to procuring enrollments. For specific information, students are invited to visit the UTI Foundation (www.utifoundation.net) website for more detailed information.

*This Program is ONLY available at the Exton, PA campus of UTI.

** If the named parties are not available as a resource, a letter of recommendation can be submitted from any other non-family member who can attest to the student’s positive attitude and likelihood of success in the training program and future career. A reference form is attached which can be used in lieu of a letter.

Funding for this program is limited and the program may be suspended at the discretion of the UTI Foundation. Such a suspension would not affect students who had already been awarded the scholarship.
