Objective:
To provide tuition grants-in-aid to students who seek to enroll at UTI*/NTI or MMI for the start dates between January 1st and March 31st 2009 who show financial need and who reflect a true commitment to converting their passion for automobiles, trucks, motorcycles or boats into a career as a professional technician (based on the criteria outlined below.)

Criteria for awarding the scholarship:
Enrolled students who meet all other admissions requirements for Universal Technical Institute*, NASCAR Technical Institute, Motorcycle Mechanics Institute or Marine Mechanics Institute, and ALL the criteria below, may apply for a $2500 - $3500 grant-in-aid (awarded as a tuition grant, prorated over the entire term of the student’s program):

To determine your eligibility for this scholarship program, you must:

- have completed your FAFSA (Free Application for Federal Student Aid), (for questions on the completion or approval of your FAFSA, call your campus Financial Aid Department);
- be starting classes between January 1st and March 31st 2009;
- reflect financial need as assessed through the information provided in the FAFSA and other factors;
- have a letter of recommendation from an employer, guidance counselor or instructor;**
- clearly express a commitment to professional success through the application essay; and
- submit the application and letter of recommendation by the deadline for each start date as described below to the Scholarship Department.

Process and Rules:
Information about this grant-in-aid will be published to all enrolled students for the affected start dates. Students who have not yet enrolled for these start dates will be notified after enrollment. This information will also be posted on the UTI website.

Any student meeting the criteria may apply. Students who are receiving or will be receiving the Military Tuition Reduction cannot be considered for the UTI/NTI/MMI Scholarship Program. Only one award will be given per student. Students must complete an application with essay, and letter of recommendation and submit it to the Scholarship Department. Students who apply and meet all requirements will be considered for this grant-in-aid. For all applicants, the deadline for RECEIPT of the application and all required attachments by the Scholarship Department is midnight Sunday, Arizona time, SIX WEEKS prior to the student’s scheduled start date.

Of the applications received, each will be reviewed for completeness and accuracy of all information provided. Of those viable applications, the awards will be distributed on a first come first serve basis to those students who present the greatest financial need combined with the best likelihood of success through the ideas expressed in the essay portion of the application and reference letter. All viable applications will be reviewed by the UTI Scholarship Committee.

This award is based on the enrolled student’s start date. There are a limited amount of awards per start date. It is not transferable to any other person. It is not a cash award, but rather a tuition reduction that is spread out over the term of the student’s program.

Neither UTI nor NTI nor MMI discriminates against or tolerates the harassment of any potential applicant, applicant or student on the basis of race, color, national origin, sex, religion, disability, age, or any other legally protected status in the provision of its courses, programs, services or activities.

Admissions representatives may not provide anything more than general information about scholarships, but must refer prospective students to the Scholarship Office or the UTI website for more detailed information. Scholarships shall not be used as a recruiting device.

*This Program is NOT available at the Exton, PA campus of UTI.
** If the named parties are not available as a resource, a letter of recommendation can be submitted from any other non-family member who can attest to the student’s positive attitude and likelihood of success in the training program and future career. A reference form is attached which can be used in lieu of a letter.

Funding for this program is limited and the program may be suspended at UTI’s discretion. Such a suspension would not affect students who had already been awarded a scholarship.
