Objective:
NASCAR is looking for the perfect blend of technical skills and attitude, just like every employer of NASCAR Tech’s graduates. This program, sponsored by NASCAR, seeks to assist financially needy students who are looking for great career training with NASCAR Technical Institute, and who truly understand and exhibit the traits of a great team member.

Criteria for awarding the scholarship:
Enrolled students who meet all other admissions requirements for the NASCAR Technical Institute programs and ALL the criteria below may apply for a $2500 grant-in-aid (awarded as a tuition reduction, prorated over the entire term of the student’s program):
1. Has a completed and approved Free Application for Federal Student Aid (FAFSA) for the appropriate year. (For questions on the completion or approval of your FAFSA, call the NTI Financial Aid Department at 1-888-416-2722);
2. Have exhibited financial need through information derived from the FAFSA;
3. Enrolls to begin courses during one of the start dates between October 6th 2008 through September 14th 2009
4. Clearly expresses the skills and traits that make a successful NASCAR team and how the student will use this scholarship, and his/her training with NASCAR Tech, to develop those traits; and
5. Submits the application by the deadline date* listed below.

Process and Rules:
The process for applying for this tuition scholarship will be published to all enrolling students as a catalog supplement and on the UTI website. Students who have already enrolled for these start dates will be notified via a separate mailing.

Any student meeting the criteria may apply. Students will complete an application including essay, and submit it to the Scholarship Office. Students who apply and meet all requirements will be considered for this grant-in-aid. Determinations of who will receive the award will be based on a primary review of all applications received prior to the deadline.

Of those applications received, each will be reviewed for completeness and veracity of all information provided. Of those viable applications, the awards will be distributed to those students who present financial need and who most clearly express commitment to success in their field through the essay portion of the application. All viable applications will be reviewed by the UTI Scholarship Committee. Applicants will be notified via U.S. mail after deadline date.

If a student changes start dates, a NEW application must be submitted. It is not transferable to any other start date or person. Once lost due to postponement of start a student would have to complete a new application and submit it at least four weeks prior to the new start. It is not a cash award, but a tuition reduction that is spread out over the term of the program.

NASCAR Technical Institute does not discriminate against or tolerate the harassment of any potential applicant, applicant or student on the basis of race, color, national origin, sex, religion, disability, age, or any other legally protected status in the provision of its courses, programs, services or activities.

Admissions representatives may not provide anything more than general information about scholarships, but must refer them to the Scholarship Office or the UTI website for application and verification. Scholarships shall not be used as a recruiting device.

Application Deadline Information:
By FAX: must be received no later than 4 weeks prior to start date.
By MAIL: must be postmarked no later than 6 weeks prior to start date.

This Program is ONLY available to incoming students at the NTI/NASCAR campus of UTI in Mooresville, NC. Students already attending classes are ineligible to apply.
